Ticketless booking

When you check in, you will have to present a copy of your e-mailed booking confirmation, as well as valid IDs for all travellers.

Online Check-in

Be relaxed at the airport: Take the stress out of checking in with Online Check-in from your home or office (Online Check-in is available to you on selected routes for Condor flights with Condor aircraft and Condor flight number "DE"). You can easily print your boarding pass from your own computer.

At all departure airports, you are also able to simply load your mobile boarding pass onto your Internet-enabled mobile device (smartphone, tablet), and show it when you check in.

Your benefits at a glance

- Passengers with hand luggage go straight to the departure gate
- A „baggage drop-of,, for travellers with baggage on the day of departure
- Check in quickly and easily at home or in the office, and print your boarding pass straightaway
- No stress at the airport
- Available from 24 to 2 hours before departure
- Also possible for groups of up to 9 people
- Available for all booking classe
